DPD-694-61

3 February 1961

MEMORANDUM FOR: Chief, Security/DPD

SUBJECT : Condemnation of Garage at 1717 H St.

1. Mr. W. Wade Keller (Code 13, Extension 34221, Regional Counsel, GSA Region 3) telephoned today to advise that the Justice Department and GSA were taking action in local Federal Court on 3 February 1961 to condemn the garage under 1717 H St.

2. Mr. Keller asked me to advise him if this Agency would permit Justice to inform the presiding judge that CIA was located in this building and further that it would be an assistance and improvement to our security if this condemnation action were approved.

3. With the assistance of [REDACTED] DPD/BO, these questions were raised with [REDACTED] Acting Deputy Director of Security. The latter advised that there was no objection to relaying this information to the presiding judge but that it should be done in chambers rather than in open court. I relayed this answer to Mr. Keller at once and gave him [REDACTED] name and telephone number if further direct contact were necessary.
